

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF GEORGIA  
STATESBORO DIVISION

This 1st day of November 2011.

SIMONTRAY BYRUM, et al.,

Plaintiffs,

v. 6:11-cv-11

GEORGIA DEPARTMENT OF  
CORRECTIONS, et al.,

Defendants.

B. AVANT EDENFIELD, JUDGE  
UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF GEORGIA

**ORDER**

After a careful *de novo* review of the record in this case, the Court concurs with the Magistrate Judge's Report and Recommendation ("R&R"), *see* Doc. 19, to which objections have been filed.

Plaintiffs' objection has no precedential basis. Defendants' seem to argue that even if they complete the grievance process, prisoner plaintiffs cannot exhaust administrative remedies unless they seek every possible remedy to their grievances. Neither objection has merit.

Accordingly, the R&R is adopted as the opinion of the Court. Defendants' Motion to Dismiss is **GRANTED** in part, **DENIED** in part. The claims filed by Plaintiffs Wiegel, Springer, Porter, Leslie, Kelley, Elliot, Cloud, Cameron, Brummitt, Wilkerson, Byrum, Harris, Rucker, Burtts, White, Jones, Weems, Osborne, and Yearta against Defendants are **DISMISSED** without prejudice. The claims filed by Plaintiffs Christopher Mabry, Avery Richard, Lanard Williams, and Cedric Caldwell remain pending.
